

Christian Formation Programs

Episcopal Relief & Development offers Christian Formation programs for children, youth and families and others. These resources will support Episcopalians as they “continue in the apostles’ teaching and fellowship,” “proclaim by word and example the Good News of God in Christ” and “seek and serve Christ in all persons.” To learn more, please visit www.er-d.org/Formation.

Abundant Life Garden Project is an interactive, Scripture-based children’s program offered to parishes, teachers, families and others who seek to share the ministry and work of Episcopal Relief & Development with elementary school-aged students.

This resource is based on the mission statement of Episcopal Relief & Development, along with our Baptismal Covenant.

Children are invited to participate in our mission by exploring five thematic lessons on **Water, Seeds, Soil, Animals** and **Harvest**. Two appendices to the lessons offer additional options and tips to assist you in creating a program that best fits your needs.
