

The Abundant Life Garden Project®

Litany of Thanks for Animals

Ask children to sit in a circle. The leader should also sit in the circle with the children if at all possible. (If you have an older child who would like to help consider allowing them to lead.)

Introduction

Leader: Now, I will read several prayers about animals. Since all kinds of animals are important gifts in the cycle of life, please respond to each of these prayers with, “We thank you, Lord, for the gift of animals.” (The leader might ask children to practice “We thank you, Lord, for the gift of animals” before continuing.)

Leader: The Lord be with you!

Children and helpers: And also with you!

Leader: Let us pray.

Leader: Lord, creator of all things, we thank you for the gift of this time together, and for the abundant gift of animals to feed our hunger, quench our thirst and help our plants to grow. Bless us in this time together, and bless those in need of farm animals to feed themselves and others. **In Christ name, Amen.**

Leader: We thank you, Lord, for being our Good Shepherd, for seeking us when we are lost, for showing us water to quench our thirst and for leading us to green pastures. Help us to likewise seek those who might be lost and to help lead them as well to clear waters and green pastures.

In Christ's name, Amen.
