

## Episcopal Relief & Development Sunday 2017

### Join in Episcopal Relief & Development Sunday this Lent

We encourage all Episcopalians to gather on March 5, or another convenient Sunday during the season, to pray for people fighting poverty, disaster and disease in their communities and for all those around the globe leveraging local resources and expertise to address disparity and inequality in the world.

Episcopal Relief & Development collaborates with local church and ecumenical partners in nearly 40 countries on long-term community development strategies. Please support this work by contributing to a plate offering or by mailing your gift with the attached response form. Your participation is a simple way to help convey Jesus' love for our neighbors in need.

### 2017 Lenten Meditations

Written by a collection of Episcopal Church and faith leaders and published by Forward Movement, Episcopal Relief & Development's **2017 Lenten Meditations** explore how faith is fed and enriched through spiritual relationships and communities. It is our hope that these Lenten meditations will deepen your faith in the risen Christ and strengthen your connection to our community that walks together with others around the world.

As we consider Jesus' life of healing and sacrifice during this Lenten season, Episcopal Relief & Development asks you to reflect on your faith and how you might take action in responding to a hurting world. The traditional Lenten practice of almsgiving provides an opportunity to renew your commitment to people in need by supporting our work.
