Episcopal Relief & Development invites you to pray for and support communities responding to a devastating and dangerous hurricane season.

Hurricane Maria’s path over the Leeward Islands, the Virgin Islands, Puerto Rico and other parts of the Caribbean is expected to bring significant hardship to those already affected by Hurricane Irma.

We are working with local Church partners to support their preparation for and response to the ongoing hurricane season.

In addition, Episcopal Relief & Development continues to address urgent needs in communities — from Texas to Florida to Georgia — that have been impacted by Hurricanes Irma and Harvey.

“We have been in regular contact with our partners in the affected areas,” said Abagail Nelson, Episcopal Relief & Development’s Senior Vice President of Programs. “Even as we face enormous communication challenges in some areas, we know our church partners have a deep presence in their communities which allows them to quickly and effectively respond and care for people. We are supporting them in this critical work.”

Your contribution to the Hurricane Relief Fund helps Episcopal Relief & Development support Church and other local partners as they provide critical emergency assistance for those affected by these unprecedented storms.
