

ONE THOUSAND DAYS OF LOVE♥

Credit: Episcopal Relief & Development

Episcopal Relief & Development continues to be in close contact with partners in 44 countries, including the United States, to provide financial and technical support to communities affected by the novel coronavirus (COVID-19).

As the pandemic continues to spread, we are particularly aware of the increased vulnerability of children. Episcopal Relief & Development works with communities to ensure that children have access to food, clean water, and quality health care. Our work also empowers parents and protects families.

We invite you to Learn about our work with Children, and **ONE THOUSAND DAYS OF LOVE** our grassroots Church-wide campaign dedicated to expanding Episcopal Relief & Development's programs that improve the lives of children.

Research shows that the first 1,000 days for children are critical in setting a foundation that affects their ability to grow, learn, and thrive over their lives. Globally 155 million children under six are not reaching their full potential due to inadequate nutrition and health care.
