

A CAMPAIGN FOR CHILDREN

ONE THOUSAND DAYS OF LOVE is a \$3 million grassroots Church-wide fundraising campaign dedicated to expanding the organization's global programs, improving the lives of children up to age six.

Research shows that the first 1,000 days for children are critical in setting a foundation that affects their ability to grow, learn, and thrive over their entire lives. Around the world, 155 million children under six are not reaching their full potential due to inadequate nutrition and health care. Episcopal Relief & Development works with communities to ensure that children have access to food, clean water, and quality health care.

This campaign will allow us to expand our programs across multiple communities in several countries to reach even more children and their communities.
