

IT TAKES A GREAT DEAL TO HELP A CHILD REACH THEIR GOD-GIVEN POTENTIAL.

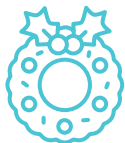

This Advent, join us in supporting **ONE THOUSAND DAYS OF LOVE**, a grassroots Church-wide fundraising campaign dedicated to helping children up to age six learn, grow and thrive.

COME TOGETHER THIS ADVENT

Here are some fun ways to engage with family this Advent to prepare for the coming of Jesus.

CREATE AN ADVENT WREATH

Advent wreaths help us prepare for Christmas. Make your own wreath with playdough and birthday candles, tissue paper, or candles and sand.

LEARN ABOUT ST. NICHOLAS

Discover the story of St. Nicholas and how he followed Jesus' teachings to reach out to those struggling with poverty and sickness.

CREATE A CRECHE

Make your own Creche with blocks, craft sticks or stones. Add to your Creche each week to tell the story of Jesus' birth and learn all it takes to help baby Jesus reach His full potential.

PRAY AND REFLECT

Each week during Advent, say a prayer and reflect on what you're grateful for using the offerings you've made.
