

PUT YOUR FAITH INTO ACTION

Please support hurricane recovery efforts

Recently, communities in the Caribbean and southern United States have suffered from damaging flooding and winds, and power outages. Apart from creating barriers to communication and transportation, there have been significant financial impacts.

Episcopal Relief & Development has already been providing relief to affected communities with food and needed supplies, and will continue to work with partners to assess needs and help them transition into recovery.

Please pray for the people who have been affected— and if you're able, rush a donation to our Hurricane Relief Fund today.

We provide emergency and long-term support for those who are impacted so they can make full and sustained recoveries – as well as resources and training to help people prepare for the next disaster.

For 80+ years, Episcopal Relief & Development has been collaborating closely alongside communities and our Anglican partners to respond to **disasters** and carry out long-term development strategies in three key priority areas, **Women, Children and Climate**, to help alleviate hunger, create economic opportunities, respond to disasters, promote health and strengthen communities.
