

WHAT WILL BE YOUR ACT OF LOVE?

Instead of focusing on what divides us, concentrate on what unites us on November 13, The Day of Love.

This deck of twenty-four Act Of Love cards for all ages is designed to be shared in a church at home or online.

- For church, print multiple sets of cards onto cardstock and cut apart. Place in a container where parishioners can see them and encourage all to take a card and share with others.
- At home, print one set of cards and cut them apart. Families can compete to see who can complete the most Acts Of Love.
- Online, take a photo of the Act of Love you completed and post your Acts Of Love on Instagram #1000DaysOfLove.

Pro tips for churches: Publish a “Save the Date” in bulletins, e-newsletters, on Facebook and Instagram. Begin offering cards early October. If you run out, simply print more. Place cards in the pews for parishioners to pick up or have ushers to hand cards out as people leave worship.

Printing suggestion: Print the cards double-sided if possible. If not, just print the action items side of the cards and then cut them apart.

Print the tabletop sign and fold in half to place next to the container.

In addition, we have created a [Day of Love Toolkit](#) that encourages everyone to:

Check-in with someone you haven’t seen recently.

Thank someone special in your life.

Do something for children.

If you choose an Act of Love that you know you will not be able to accomplish,
choose another card and pass the first one on to a friend.
Conversely, If you choose an Act of Love that you know will be
easily accomplished, like turning off the water while brushing your teeth,
choose a second and even a third card.

Pick an Act Of Love card

What Will Be Your Act of Love?
**On November 13 focus on the positive power
and the common thread of love that binds us.**
