PUT YOUR FAITH INTO ACTION

Please Support the Texas Hill Country Flooding Response

Episcopal Relief & Development is helping local diocesan partners in Texas provide support to those impacted by the catastrophic July 4-5 Texas Hill Country flooding, which killed over 100 people, with many more still missing.

During the flash flooding event, between 5 and 13 inches of rain fell rapidly on central Texas, impacting multiple counties. The full extent of the damage is still unfolding; however, hundreds of homes, mobile parks, RVs, roads and parks have been impacted so far.

Supporting the Flood Response Fund will help people affected by the impact of the Texas flooding. To make a donation, please scan the QR code or fill out the coupon below and mail it in with your check or credit card information.

Episcopal Relief & Development partners with faith and community organizations to advance lasting change in communities affected by injustice, poverty, disaster and climate change. Inspired by our faith, we focus on four interconnected priorities: nurturing the potential of caregivers and young children, reducing violence against women and girls, strengthening communities' resilience to climate change and facilitating humanitarian response to disasters.

Thank you for your compassion and prayers. With your partnership, we are Working Together for Lasting Change.
