

## **Celebrating 75 Years of Healing a Hurting World**

For 75 years, Episcopal Relief & Development's diverse, faithful community has responded compassionately to the suffering in the world. With your partnership, we have grown from founding in 1940 as a granting agency into a professional international development organization, strengthening local churches and empowering communities to fight poverty, hunger and disease. Together, we reach more than 3 million people annually in almost 40 countries.
