

CELEBRATING 75 YEARS OF HEALING A HURTING WORLD

FAST TO FEED

For 75 years, Episcopal Relief & Development's diverse, faithful community has responded compassionately to the suffering in the world. Together, we reach more than 3 million people annually in almost 40 countries.

Fast to Feed Campaign: I believe that no one should go hungry

Extreme hunger and poverty affect over a billion people worldwide.

Each year, more than 10 million children under five die from malnutrition and hunger-related causes.

Episcopal Relief & Development and its partners work to alleviate hunger and improve food supply, through integrated community-based programs.

Working with Church partners, we empower people to live healthier and more productive lives by expanding food access and availability.

Our efforts create long-term agricultural strategies that help families feed themselves while protecting the environment.

Please join us and invest in Episcopal Relief & Development's vital mission by giving meaningfully to our **75th Anniversary Fast to Feed Campaign!**
